Produce Wholesale Program

Fresh. Local. Reliable. Wholesale, the Way It Should Be.

Partner with a wholesale program that puts your business—and our local farmers—first.

Baileys is locally owned Produce market that connects you directly to regional growers, high-quality products. When you buy from us, you're not just sourcing food—you're investing in your community.

Why Choose Our Wholesale Program?

Truly Local Supply

We work with nearby farms and producers, ensuring peak freshness, seasonal variety, and transparent sourcing you can feel good about sharing with your customers.

Reliable & Scalable

Whether you're a small café or a high-volume kitchen, our wholesale program is built to meet your needs with dependable availability and streamlined ordering.

Personal Service

As a locally owned market, we offer hands-on support, flexible ordering, and real people who know your business—not a call center.

A Story Your Customers Care About

Today's customers value sustainability and community impact. Our products come with a story you can proudly put on your menu or shelves.
